**These retreats will be suitable for anyone living with the effects of Long Covid (suffering symptoms from the Covid virus after several weeks). Helen Warwick, a Creative Therapist and Chaplain, will be offering healing ways to find a life-giving path through fatigue, physical and psychological symptoms, grief, loss and change of lifestyle. Sessions will include information, creative ideas and wellbeing exercises. There will be space for your own reflections.**

Holy Rood House is a charity with a gentle Christian ethos; we are a community that offers a space for many people at their time of need and education through the theology centre.

Helen is one of our residential chaplains who leads creative retreats and works with individuals and groups. She is a trained Occupational Therapist and Spiritual Director. Her own journey through chronic illness developed many creative ways of finding wellbeing and initiated her writing published books (Kevin Mayhew publisher). Helen has been running on-line retreats that are proving valuable and popular. Comments include *'I have so valued these evening sessions and your gentle and expert guiding.'* *These zoom sessions have been a real gift – a way to create a bit of inner space for myself' 'I found this morning uplifting and inspiring'*

We are supported by donations.

**The suggested donation for each event is £15.**

**To apply please email us at [enquiries@holyroodhouse.org.uk](mailto:enquiries@holyroodhouse.org.uk).
